Customer Centric Technology Road Map

signify

Realizing Distributed Manufacturing www.tailoredlightingcreations.com

'the ability to personalize product manufacturing at multiple scales and locations, be it at the point of consumption, sale, or within production sites that exploit local resources,

.....exemplified by enhanced user participation across product design, fabrication and supply, and typically enabled by digitalization and new production technologies' – IfM 2015

The HUB concept

+ Digitalized Information Flow
